- 
1. A new munitions factory at Hejocsaba, four kilometers south of Miskolc, was to have been completed by 1 February 1952.
 2. It is contemplated that the plant will employ 2,200 political prisoners, 500 skilled workmen, and 12 engineers, all in three shifts. The machinery was already on the premises when, on 1 October 1951, the construction of the plant began. The factory, with the exception of the powder mill, was designed to lie eight meters underground.

Enc. sketch of the new Munitions Factory at Hejocsaba, 1 page.
